

OCIT 2023

21st International Conference on Information Technology

13th-15th December 2023, Raipur, India www.oits-icit.org

The OITS International Conference on Information Technology (OCIT) is a premier international forum for high quality research in the areas of Information Technology. **OCIT 2023** is being jointly organized by the Orissa Information Technology Society (OITS) (www.oits-icit.org/OITS) and **National Institute of Technology, Raipur (NITRR)**, India (www.nitr.ac.in) in **Hybrid Mode**. Researcher, developer, and practitioners from academia and industry are invited to present their research finding on various topics and its application. The Proceeding of this conference will be published by **IEEE (Conference Record #59427)**.

CONTRIBUTIONS ARE SOUGHT IN THE FOLLOWING AREAS:

- ❖ **Artificial Intelligence, Machine Learning, and Deep Learning (AMD)**
- ❖ **Data Science (DSC)**
- ❖ **Networking and Information Security (NIS)**
- ❖ **Sequential, Parallel, Distributed and Cloud Computing (PDC)**
- ❖ **Multimedia, Signal Processing, Embedded Systems (MSE)**
- ❖ **Power, Smart Grid and Internet of Things (PSI)**

OCIT technical program will include contributed papers and contributions from invited speakers. OCIT 2023 will have **pre-conference-tutorials, keynotes, plenary talks, technical sessions, special sessions, expert panels, research demo session (RDS), and student research forum (SRF)**.

Several best paper awards will be available like each year.

Paper Submission Guidelines

Manuscripts offering high quality original and unpublished research, case studies and implementations are solicited. Full paper manuscripts must be in English of maximum 6 pages as per IEEE double column format. Authors need to prevent identity disclosure in all form. OCIT will follow no show policy, i.e., accepted papers are to be registered and presented, otherwise the paper will be removed.

Selected papers from OCIT 2023 program will be invited for submission to **special issues of peer-reviewed SCOPUS indexed journals (e.g., Springer Nature Computer Science SNCS journal) as has been done in the past editions.**
