CALL FOR CHANAKYA FACULTY FELLOWSHIPS
iHUB ANUBHUTI-IIITD FOUNDATION

iHub Anubhuti-IIITD Foundation (iHub Anubhuti) has been established by IIIT-Delhi as a Section 8 company to implement and realise the objectives of NM-ICPS of the Department of Science and Technology. The main focus of iHub Anubhuti will focus on new knowledge, technology solutions, skilled human resources, and an enabling eco-system for entrepreneurship in the field of Cognitive Computing & Social Sensing (CC&SS).

TiH aims at building a collaboration between industries, academia, and government agencies on developing data driven cognitive computing solutions, mainly in verticals - Healthcare, Legal Information System and Education in CC&SS. It will also encourage and promote entrepreneurial activities and start-ups in the areas of "Cognitive Computing & Social Sensing".

CHANAKYA Faculty Fellowships (CHANAKYA-FF)
