About AMET University

AMET is India's first private maritime university, the only university in India to be a member of the International Association of Maritime Universities and has 25+ years of relationship with Maersk. The Maersk shortlisted students will be trained in the ETO Program at Maersk Centre of Excellence, an exclusive campus for Maersk cadets at Thenpattinam.

What we offer

Maersk Cadet Program at Centre of Excellence provides you the opportunity to earn your Electro Technical Officer course, under the influence of Maersk's global standards.

Upon successful completion of the course, you shall have the opportunity to experience:

- ✓ The Brand : Start your career with one of the largest container shipping companies in the world.
- ✓ Diverse Workplace: Experience equal opportunity employment with exposure to diverse nationalities.
- ✓ Culture : Be a part of organization that is driven by core values across levels.
- ✓ Sea time : 12 months of sea time experience as an Electrical cadet onboard Maersk vessel.
- ✓ Remuneration : Earn not less than USD 450 per month during onboard training.

We are looking for

- Motivated, enthusiastic, and hard working with good electrical knowledge.
- Ability to work and interact with multinational crew.

Eligibility:

- Indian Citizen
- Successfully completed 4-year Degree including lateral entry, with minimum of 50% marks in Electrical Engineering, Electronics Engineering, Electrical and Electronics Engineering, Electronics and Telecommunication/ Communication Engineering or Electronics and Instrumentation Engineering or equivalent.

OR

- Successfully completed three years Diploma with minimum 60% marks in above mentioned streams.
- The diploma/ degree courses must have been recognized by any state or Central Government or the AICTE.

Selection Process

- AMET Online CET & Psychometric Test
- Personal Interview by MAERSK
- Medical Fitness as per DGS Guidelines
