Indo-Thailand Workshop on AI-DRIVEN INNOVATIONS

An Exclusive Workshop for Thai
Students at IIT Gandhinagar

March 24-28, 2025

ABOUT THE WORKSHOP

The Indo-Thailand Workshop on AI-Driven Innovations (AIDI) is a comprehensive five-day international short course designed to foster collaboration and knowledge exchange in the rapidly evolving field of Artificial Intelligence (AI). This workshop aims to cultivate innovative solutions across various scientific and engineering domains, bringing together leading industry experts and aspiring young minds from Thailand. It will provide participants with an immersive experience in AI-driven innovations, combining technical sessions, hands-on learning, and cultural exchange.

WHO SHOULD ATTEND?

This workshop is specially crafted for enthusiastic Thai students pursuing Science, Engineering, and Technology studies. It offers a unique opportunity to dive deep into the world of AI-driven innovations, engage with leading experts from top global organizations, and explore cutting-edge solutions across diverse domains. With a blend of interactive sessions, hands-on learning, and cultural exchange, this workshop is perfect for those eager to expand their knowledge and skills in Artificial Intelligence.

All sessions will be conducted in English.

WORKSHOP AT A GLANCE

Insights from Industry Leaders: Engage with experts from top-tier companies like Google, Nvidia, and Samsung, who will share their cutting-edge knowledge and real-world experiences in AI.

Hands-On Innovation: Delve into the world of AI through practical applications, tackling challenges, and discovering breakthroughs in various science and engineering fields.

Cultural Exploration: Get a taste of India's vibrant culture with an exciting tour of historical gems, including the Gandhi Ashram, offering a perfect balance of learning and adventure.

A Scenic Learning Hub: Immerse yourself in the peaceful atmosphere of IIT Gandhinagar's lush, nature-imbued campus situated along the picturesque Sabarmati River.

Top-Tier Amenities: Enjoy the comfort of air-conditioned hostel rooms and access to IITGN's world-class sports complex and other premium facilities designed to enhance your experience.

THE BEST PART? IT'S ABSOLUTELY FREE!

- IIT Gandhinagar will cover the accommodation and meals for all participants from Thailand.
- Thai Institutes will take care of participants' air travel and other travel expenses.

This makes the workshop an excellent opportunity for students to learn from experts without worrying about additional costs.

CERTIFICATE OF PARTICIPATION

Upon successful completion of the workshop, each participant will receive a prestigious Certificate of Achievement, acknowledging their active engagement and valuable contributions to the field of AI-driven innovations.

REGISTRATION & NOMINATION

- To register, institutes can nominate eligible students (5 Students per Institution) by reaching out to the email/WhatsApp given below.
- Students can also scan the QR code for event details to learn more about the workshop schedule and other essential information.

EXPERIENCE THE EXCELLENCE OF IIT GANDHINAGAR

- A Picturesque Campus: Revel in the peaceful, nature-friendly atmosphere set against the backdrop of the beautiful Sabarmati River.
- Top-Notch Infrastructure: Stay in comfortable, air-conditioned accommodations with world-class amenities designed to enhance your learning experience.
- Premier Sports Facilities: Take advantage of IITGN's exceptional sports complex, which is ideal for both fitness and leisure.
