Theme:

Promoting Self-Driven Innovations

The Design & Innovation Clinic is focused on encouraging young minds to develop a scientific and engineering mindset to help build a better India. Organized by the Central Manufacturing Technology Institute (CMTI), this 3-day event invites engineering students to participate. Form a team of 4 students from different engineering disciplines (including pre-final and final-year BE students, as well as MTech/ MCA and PhD students) to come up with your own innovative concept.

EVENT STRUCTURE

1. Team Formation:

- Each team should consist of 4 members.
- At least one member must be an engineer (Bachelors, Masters - MTech/MCA, or PhD) from one of the following branches: Mechanical, Electrical, Computer Science, or any allied branch.

2. Problem Selection:

- Participants can either come up with their own problem statements or choose from the problems listed on the event website link.

3. Abstract Submission:

- Each team is required to write a 2-3 page abstract describing their approach to the problem in the given format.
- The abstract should outline the team's objectives, methodology, and expected outcomes.
- Deadline for Submission: **16th March 2025**

4. Initial Selection for Presentation:

- Based on the abstract, teams will be shortlisted and those teams must to CMTI for presentation on the 1st Day of the event i.e on 7th April 2025.
- Only the teams that qualify for the presentation event will proceed to the next phase.

5. All-Nighter Competition:

- The selected teams will participate in an all-nighter competition starting on 8th April 2025 and concluding on 9th April 2025.
- During this competition, teams will work intensively to implement their ideas or refine their proposed solutions into prototypes. They will begin developing and showcasing their prototypes, demonstrating their functionality and innovative solutions to the problem.

6. Recognition and Prizes:

- At the end of the competition, five teams will be recognized for their performance and awarded prize money.
